Regulatory Contact: Edd Kray **Phone:** 966-2115

Agency: Colorado Department of Public Health & Environment

Purpose of Contact: Discuss the B776/777 vapor degreaser piping removal.

Discussion: A meeting was held at 0800 hours on December 13, 1999 to discuss the removal of approximately 10' of ancillary piping associated with the room 440 vapor degreaser. Edd phoned back at 1130 hours and agrees that the piping can be removed in accordance with the DOP and no additional modifications are required. For larger systems minor modifications must be developed.
